DARE is constantly trying to help the children of this community with choices inside and outside of the classroom. There are some children that need a little extra help with basic things some of us take for granted. DARE is always trying to donate to schools for sports or fundraisers that will give children an option to keep them busy and entertained. Outlets help them to continue to make good choices in their lives.

The School Resource Officers started this school year off running. The School Resource Officers are responsible for safety and crime prevention in the schools. They have been busy getting the schools up to date on their drills to keep the students and staff safe in case of different kinds of emergencies.
